

15-SECOND SQUEEZEBACK ADVERT

[Login to see prices](#)

ADDITIONAL INFORMATION

A 15-second squeeze back advert is a brief promotional L shape video clip that is inserted between programming segments. Typically appearing as a quick interruption, it swiftly captures viewers' attention with a concise message or call-to-action before seamlessly transitioning back to the main content.

WHAT YOU GET:

- Motion graphics created for client poster or artwork.
 - Duration 15 seconds
 - No Accompanying background music.
- Text and pictures placed in L Shape format on screen
 - Turnaround time: 2-3 days
